As the parent(s)/guardian(s) of \_\_\_\_\_

(PRINT STUDENTS' NAME)

I understand that Sarasota Virtual School requires my child to meet all conditions that foster a successful online education. During the first 21 days of my child's activation, teachers will evaluate their performance based on the conditions listed below.

Conditions defining a successful online student:

- 1) Consistent parent/guardian supervision of student
- 2) Maintaining pace in all courses – turning in assignments on due dates
- 3) Daily engagement in course activities
- 4) Establishing regular/appropriate communication with **ALL** teachers via email and/or phone/text
- 5) Earning and maintaining grades of "C" or higher
- 6) Earning appropriate credits/standards for end of year grade promotion
- 7) Participating in all district/state standardized testing
- 8) Honoring **ALL** rules and procedures established by Sarasota Virtual School and Sarasota County Public Schools for student conduct, academic integrity, and netiquette (online etiquette)

Students demonstrating difficulty as an online learner after the first 21 days will be required to attend a parent conference to determine if online learning is the best academic environment.

If during the initial 21 days, the determination is made by Sarasota Virtual School that my child is **not recommended** for online education, he/she will be withdrawn with no grade penalty and referred to brick and mortar school assignment to pursue a different instructional venue.

If my child is behind pace or failing **ANY** virtual course beyond the 21-day grace period, they **WILL** be required to attend regular meetings with the SVS Academic Advisor.
